

Zip Rail Public Meetings

July 29, 30 and 31

The public is invited to attend any of three public meetings to learn about the Zip Rail Project. The study area includes an approximately 100-mile corridor between Rochester and the Twin Cities that is being examined for potential high speed rail service. Dakota, Dodge, Goodhue, Hennepin, Olmsted, Ramsey, and Rice Counties and various end points in the Twin Cities and Rochester area are included in the study corridor.
