

Rice County GIS User's Group Meeting

April 7, 2010

Conference Room 3B, Rice County Government Services Building

Teresa Ennis- GIS Technician, Rice County Assessor
Josh Schoen- GIS Technician, Rice County Assessor
Rubin Seifert- GIS-CAD Technician, City of Faribault
Michelle Trager- GIS Coordinator, Rice County Information Technology
Joe Riebe- GIS Intern, Rice County Information Technology
Jenny Mocol-Johnson- Water Planner, Rice County Planning and Zoning
Trent McCorkell- Zoning Administrator, Rice County Planning and Zoning

- I. Welcome and Introductions
- II. Share any new information on projects
 - Rubin
 - Maps and updating data
 - Rubin and Greg and Kim from the Planning Department have been working on appeals for FEMA Floodplains
 - Faribault received their appeals back from the Census for the LUCA project.
 - Working on an inventory of capital assets
 - Planning on getting AutoCAD 2010
 - Josh and Teresa
 - Completed splits and plats for 2010
 - Working on data in new tax system
 - Joe
 - Working on linking ROW documents to the ROW layer
 - Added the cul-de-sacs that were missing in the roads layer
 - Jenny
 - Zumbro River Watershed- 50 foot buffer rule
 - Surface Water Assessment for 6 lakes
 - Looked at contour data to find the best access to the lakes
 - Worked on McCullough Park plan and turned in grant proposal
 - Trent
 - Looked at acreage of floodplain in each township and the cities for the All Hazard Mitigation Plan
 - Michelle
 - Also received appeals from the Census for the LUCA project
 - MNGEO will be doing an aerial flight this month of Rice County. We will have access to that data when it's available.
 - We are still working with the vendors on linking the data from the new tax system to Beacon.

- Working on layer of points for First Responder maps.

- III. Pictometry On-Line (POL) Demonstration
 - Rice County has access to POL as a trial until the end of the year.
 - It is like the desktop application, only on-line.
 - For the trial we are displaying the parcels and roads.

- IV. First Responder Maps Project (National Grid) Update
 - Rice County, Faribault and Northfield are working on the project
 - Brain created a map project to use
 - Michelle, Rubin and Brian are continuing to work on this

- V. Discuss Topics for next meetings
 - ArcGIS 10
 - Find out what how the Sheriff's Office and Fire Department are using GIS
 - Let Michelle know if you have ideas

- VI. Next meeting July 7, 2009 from 9:00 am to 11:00 am in the Rice County Government Services Building- Conference Room 3B
