7. Project Name: 2010 LWM NRBG

Module: Initiative

Reported By: Rice COUNTY

Initiative Type: Admin/Coordination

Initiative Year: 2010

Description:

Actual Results:

Completed/Final Approval of the Rice County Local Water Management Plan. Worked with appropriate groups to follow the goals/action items of the plan.

In accordance with the Coordination/Special Concern Priority Concern in the approved Fourth Generation Local Water Management Plan (2010-2014), Rice County staff met with committee members to discuss what has/has not been accomplished with regards to the Implementation Table, and what steps need to be taken to accomplish the plan's objectives. In some cases, staff applied for grants to meet the goals of the Water Management Plan. Staff also assisted the Rice County Coalition of Lake Associations during each bi-monthly meeting (Objective 3: Action Item #1 Provide additional leadership to COLA). Staff met with both Scott and Le Sueur Counties to stay involved with the Sand Creek Watershed Study and current water assessment studies. Staff also began assessing water quality on five lakes in the county (Goal: Surface Water- Action Item #4- Dedicate time and available resources to help determine impaired waters status), and continued with the Volunteer Nitrate Monitoring Network which works with homeowners to assess nitrates in drinking water.

Shoreland Program

8. Project Name: 2010 DNR Shoreland Module: Initiative Reported By: Rice COUNTY

Initiative Type: Admin/Coordination Initiative Year: 2010

Description:

Enforce the Rice County Shoreland Ordinance. Assist homeowners by recommending native plants for slope and shoreline stabilization, as water quality benefits. Educate lakeshore homeowners on Best Management Practices, and shoreline regulations. Also, respond to shoreline complaints and violations. Assist with grading and filling permits, and the inspection of appropriate erosion/sediment control for each site. Finally, inspection the required conditions set on Grading and Filling Permits, as well as Variance and CUP. Generally the condition includes shoreland plants, or screening.

Actual Results:

A copy of the DNR Shoreland Activity Report, is uploaded in the "Attachment" Tab. During 2010, Rice County provided technical support to individuals interested in restoring their shoreline, including meeting some on site and providing informational packets. Staff issued 5 shoreline grading and filling permits (each of which had a vegetation planting requirements), 17 Variances and 1 Conditional Use Permit (a total of 3,162.5 sq ft of shoreline and 2,000sq ft rain garden were required). Staff also acted on approximately 8-10 enforcement cases, related to shoreland alterations including removal of vegetation or movement of dirt in the Shore Impact Zone. Staff completed the vegetative inspections during the fall to confirm that homeowners completed their required plantings to the specified agreed upon designs.

SSTS Program

9. Project Name: 2010 MPCA SSTS Module: Initiative Reported By: Rice COUNTY

Initiative Type: Admin/Coordination Initiative Year: 2010

Description:

Actual Results:

2010 Natural Resources Block Grant - Rice (COUNTY)

Administration of the Rice County ISTS program via permitting, consulting with homeowners, contractors, realtors, and the general public. Additionally, providing education on ISTS systems. Rice County also worked to update the ordinance.

During the 2010 year, a total of 116 septic permits were issued for new installation or replacement of an ISTS system. Rice County reviewed each permit and inspected each system.

Staff also reviewed all Compliance Inspections, required upon property transfer, CUP, etc., and wrote letters to homeowners that did not provide that information, informing them of what is required and worked with those homeowners whose systems were deemed IPHT or non-compliant.

In addition to permitting and enforcement, staff also worked with homeowners, realtors, and the general public informing them of rules and regulations, and worked towards completing the Septic Ordinance Updates.
