The above list represents consultants who have indicated that they are available for hire by the public in Minnesota to delineate wetlands or other waters of the United States or design wetland compensatory mitigation projects, and who have requested to be included on this list. Rice County Planning & Zoning does not certify or recommend any consultants. You may wish to contact more than one consultant to obtain a comparison of costs and qualifications for services. You may also wish to consult other sources of information such as telephone/business listings, Internet search engines, etc.

Please be sure your contractor has a current license through the State of Minnesota.

Any contracting company wishing to be added to this list distributed by Rice County may contact Planning and Zoning at (507) 332-6113.

Licensed work from other companies may be accepted by Rice County.
