

Rice County is Recycling Some New Plastics items

We have added new HOUSEHOLD/CONSUMER Plastics (plastic items coded #1 thru #7) to our curbside recycling program!

All soft drink/water bottles (**leave the bottle caps ON the bottles**), beverage and mouthwash bottles, and rinsed plastic food jars/containers

Plastic bottles, plastic milk and water jugs, detergents, cleaners, shampoo bottles

Household cleaning product bottles (**must be empty**), cooking oil bottles, salad dressing bottles, and some shampoo bottles. (**No PVC piping allowed at all!**)

Grocery type plastic bags (**all of the bags must be put inside one of the bags**), Small Buckets (8" diameter max.), soap dispenser bottles, food storage containers, squeezable bottles (**NO Food Residue Allowed & No Styrofoam or Styrofoam like materials!**)

Yogurt containers, margarine tubs, some food containers, and ketchup bottles (**rinsed clean**)

Small plastic flower pots (**8" max. size and must be clean**), plastic cups, and some medicine bottles

Some miscellaneous small plastic containers/packaging

Also, we cannot accept any over-sized plastic items—they must all fit inside the new Single Sort Recycling cart. Thanks for Recycling!
