

NERSTRAND

Nerstrand

Nerstrand is a charming small town with easy access to recreation, entertainment and shopping in nearby cities. Minnesota State Highway 246 is the main route through town, with Highways 56 and 60 also providing access to Rochester and neighboring cities. The town is 42 miles from the Twin Cities. Nerstrand Big Woods State Park is a popular recreational venue with 11 miles of hiking trails and plenty of bird watching and camping opportunities.

Nerstrand Meats and Catering has operated in the same location in town since 1890. The company prepares and serves smoked meat and specialty foods, serving customers from all over Minnesota and surrounding states. Isaacson Implement Co. is also a long-time employer providing sales, service and repairs for farm equipment. With a 65 year history in Nerstrand, the company plans to continue its growth in the community.

The "effective" labor market includes workers living in Northfield/Dundas and Faribault, as well as the western half of Goodhue County.

Utilities:

Water and Wastewater – Municipal

Electricity – Xcel Energy

Gas – Propane Tanks

Anyone interested in commercial property to lease, purchase or renovate should contact the City of Nerstrand regarding available properties.
